

Our key event is our meeting once a year for which we come together from places all over Europe.

Our "Funboree" is taking place every year in a different, interesting spot somewhere in Europe. From 4/29 until 5/3/2015 we will meet in the amazingly beautiful scout's centre of Cioclovina in Romania.

Together we want to spend a few days living on a cosy little farm, enjoying the untouched nature of the Carpathian Mountains and having a lot fun while making and renewing friendships!
