

▼ [YOU'RE UP !]

You're Up! Means real adventure, 15,000 young Europeans meeting together in July 2015!

It'll be a week-long adventure but above all it'll be an opportunity for exchanging ideas, an event that, through twinning, starts now.

Yes, **You're Up!** Means partnerships between units from European or other French Associations and those from Scouts et Guides de France. The idea is to get to know each other as quickly as possible and learn how to build a project to carry out together during an incredible summer camp and the 8 days together in Strasbourg. This twinning represents taking a step towards someone else, something different, sharing your aspirations and passions with other young people who live hundreds of kilometres from you.

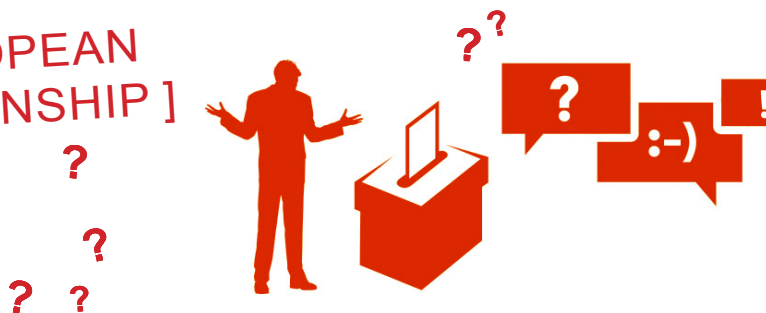

This multicultural interchange will be so enriching. You'll be learning about other people's games, programmes, traditions and experiences and teaching them about yours not just during the event but also through individual meetings between your units.

You're Up ! will be the adventure that lets you share a chunk of your life with others!

▼ FOCUS ON THE THEMES OF **YOU'RE UP!**

- Experiencing the simplicity of the Scout method through learning **to live simply**
- Understanding the role of the **leader** and the **patrol** in the unit
- Experiencing **diversity**
- Learning about **European citizenship**

[EUROPEAN
CITIZENSHIP]

European citizenship will be at the heart of the event through meeting other people and discovering European Scouting via twinning. **You're up!** means experiencing Europe, learning about its institutions and the role every young person can play. We will spend an entire day

in Strasbourg with a special event at the European Parliament. We will compose a European and citizenship statement that will describe the Europe young people dream of.

↓ WHAT DOES **TWINNING** MEAN IN PRACTICE?

This coming together grows out of a unit decision, often guided by its leaders. Once the whole unit has agreed to go on this adventure you need to let people know.

This is easy, just write to **europe2015@sgdf.fr**.

In autumn 2014 the Scoutic platform will go on line on the website for pre-registration and matching up with units looking for a partner. It will let you make yourselves known and find a unit to twin with. It will help you answer the following questions

Who do we want to twin with ?
What will the plan be for this summer?

You'll be able to do this with the web tool. You'll keep in regular touch with your twinned unit throughout the year as you plan your camp. Your arrival in France in summer 2015 will be facilitated through your contacts with your twinned unit and also the organizing team.

Did you team up with a French unit in 2013 or 2014? *You're up!* is your opportunity to continue this partnership and visit France in 2015 You will plan with your partner unit throughout the year

and your plans will take shape during the week of adventures you spend together either before or after the *You're Up!* week.

↓ **SCOUTIC**: WHAT'S THAT?

Scoutic is an interactive platform that allows you to find a French unit and shows pairings getting made in real time. Does your unit want to taking part in *You're up!* and get twinned with a French unit? Register your unit on Scoutic and you'll be put in touch with a French unit willing to host you. If your unit is already twinned register that too. That will help with organization

and follow-up. Scoutic will also be used for pre-registration. It's the site that all non-SGDF units need to go through.
